## Donated for Humanitarian Assistance in Response to the Ukraine Situation

Hoshizaki Group has decided to donate 10 million yen to the Polish Red Cross and Peace Winds Japan, non-profit organizations that provide humanitarian assistance to the most vulnerable people affected by the serious situation in Ukraine. These donations will be used to provide emergency humanitarian assistance to those who have been severely suffering in Ukraine and those who have evacuated to surrounding areas.

We hope that this emergency situation will be resolved as soon as possible, and that peace will return to the Ukraine and surrounding countries.
